

Introducing a New Book

Have a look at and talk about

Front cover.....picture
title

Back cover.....blurb

Contents page.....briefly (fiction/nonfiction)

Turn the pages looking at all the pictures (this should be fairly fast).

Pick out a **few** possible word problems.

Ask.....what do think the story is about?

Read the story **with** your child. Or, ask the child to look for any problem words on the page (scanning) and tell them what they are. If there are more than 2 read **with** the child.

Comment.....eg that was fun or that wasn't very exciting or that was interesting

Discuss.....Was it as you expected?

Did you like it? Why/Why not?
