Termly Draw

Number 11 drawn by a reception parent (it is the same parents who donated £250 towards book and then donated £100 back to school)

Autumn Term Events Update

Sponsored skip/jump w/c 27th Jan (over 2k raised last year); 50 trail (no expenses required) March 2020; Easter fair (we will need to work on getting more volunteers as it was really hard getting volunteers for Christmas Fair)

Future Dates and Events

JB if PTA would like a creche for the events, we could look into using the computer room (we would need to speak to AFC); JLB suggested applying for 50k lottery fund grant to build a multi purpose building on the grounds; JR governors would need to know about us wanting to use already scarce outside space; Gambado suggested as a day out instead of school disco; JR - likely that many parents would not be able to travel far; Alessandra - this would not be appealing to school children in years 5 and 6; Parliament visit for older years suggested as an outing - JR unable to sanction any trips to central London.
