- Bullying can include physical and emotional abuse such as name calling, taunting, mocking, making offensive comments, kicking, hitting, taking belongings, producing offensive graffiti, gossiping, peer isolation (e.g. excluding people from groups) and spreading hurtful and untruthful rumours.
- The same unacceptable behaviours can be expressed online; this is sometimes called online bullying or cyberbullying. Specifically, this can include sending offensive, upsetting and inappropriate messages by phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.
- St Vincent’s Primary School recognise that bullying can be emotionally abusive and can cause severe and adverse effects on children’s emotional development.
- Bullying is recognised by St Vincent’s Primary School as being a form of child on child abuse; children can abuse other children.
 - Abuse is abuse and it should never be tolerated or passed off as “banter”, “just having a laugh” or “part of growing up”.
 - We recognise that even if there are no reports of bullying, it does not mean it is not happening and it may be the case that it is just not being reported.
 - All victims will be taken seriously and offered appropriate support, regardless of where the abuse takes place.

6. Types of Bullying

7. Our School Ethos

- St Vincent's Primary School community recognises that all forms of bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing.
- By effectively preventing and tackling bullying our school can help to create a safe and disciplined environment, where pupils are able to learn and fulfil their potential.

Our Community:

- o Understands the importance of challenging inappropriate behaviours between peers.
- o Monitors and reviews our anti-bullying policy and practice on a regular basis.
- o Supports staff to promote positive relationships to help prevent bullying.
 - o Recognises that some members of our community may be more vulnerable to bullying and its impact than others; this may include children with SEND. Being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, if required.
 - o Will intervene by identifying and tackling bullying behaviour appropriately and promptly.
 - o Ensures our pupils are aware that bullying concerns will be dealt with sensitively and effectively; that everyone should feel safe to learn and abide by the anti-bullying policy.
 - o Requires all members of the community to work with the school to uphold the antibullying policy.
 - o Recognises the potential impact of bullying on the wider family of those affected so will work in partnership with parents/carers regarding all reported bullying concerns and will seek to keep them informed at all stages.
 - o Will deal promptly with grievances regarding the school response to bullying in line with our complaints policy.
 - o Seeks to learn from good anti-bullying practice elsewhere.
 - o Utilises support from the Local Authority and other relevant organisations when appropriate.

8. Responding to Bullying Concerns

The following steps will be taken when dealing with any incidents of bullying reported to the school:

- o If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern.
- o The school will provide appropriate support for the person being bullied – making sure they are not at risk of immediate harm and will involve them in any decision-making, as appropriate.
- o The DSL will be informed of all bullying concerns, especially where there may be safeguarding issues.
- o The Headteacher, Designated Safeguarding Lead (DSL) or another appropriate member of leadership staff will interview all parties involved.
- o A clear and precise account of bullying incidents will be recorded by the school in accordance with existing procedures. This will include recording appropriate details regarding decisions and action taken.
- o The school will speak with and inform other staff members, where appropriate.
- o The school will ensure parents/carers are kept informed about the concern and action taken, as appropriate and in line with child protection and confidentiality policies.
- o Appropriate sanctions and support, for example as identified within the school behaviour policy and child protection policy, will be implemented in consultation with all parties concerned.
- o If necessary, other agencies may be consulted or involved, for example the police if a criminal offence has been committed, or Integrated Children Services (Kent Schools Only) or Early Help if a child is felt to be at risk of significant harm.
- o Where the bullying of or by pupils takes place off school site or outside of normal school hours (including cyberbullying), the school will ensure that the concern is fully investigated and responded to in line with this policy, our Online Safety Policy and the school behaviour policy. If required, the DSL will collaborate with DSLs at other settings.

Cyberbullying

When responding to cyberbullying concerns, the school will:

- o Act as soon as an incident has been reported or identified.
- o Provide appropriate support for the person who has been cyberbullied, and work with the person who has carried out the bullying to ensure that it does not happen again.

- Take all available steps where possible to identify the person responsible. This may include:
 - ✦ looking at use of the school systems
 - ✦ identifying and interviewing possible witnesses
 - ✦ Contacting the service provider and the police, if necessary.
- Work with the individuals and online service providers to prevent the incident from spreading and assist in removing offensive or upsetting material from circulation. This may include:
 - ✦ Support reports to a service provider to remove content if those involved are unable to be identified or if those involved refuse to or are unable to delete content.
 - ✦ Confiscating and searching pupils' electronic devices, such as mobile phones, in accordance with the law and the school searching and confiscation policy. (*We will access the DfE 'Searching, screening and confiscation at school' and Childnet cyberbullying guidance to ensure that the school's powers are used proportionately and lawfully*).
 - ✦ Requesting the deletion of locally-held content and content posted online if they contravene school behavioural policies.
- Where an individual can be identified, the school will ensure that appropriate sanctions are implemented to change the attitude and behaviour of the bully, as well as ensuring access to any additional help or support they may need.
- Inform the police if a criminal offence has been committed.
- Provide information to staff and pupils regarding steps they can take to protect themselves online. This may include:
 - ✦ advising those targeted not to retaliate or reply.
 - ✦ providing advice on blocking or removing people from contact lists.
