

SATs Results

We are delighted once again with the results obtained by our children in their assessment and test results. All members of staff have worked tirelessly and with huge dedication throughout the year and we are very proud of the children's achievements. As a head teacher I am well aware of the high calibre of our teaching staff in a climate of great teacher shortage and difficult retention.

Year 2	National Expected 2019 not released	'Working toward Expected'	'Expected'	'Working at Greater Depth'
