International week

We will be celebrating international week from Monday 15th July. Similar to last year, each class has been assigned a country that they will be learning about in more depth. They will develop their geographic knowledge on the country, will be tasting food, learning phrases in the spoken language and understanding more about the habitats and wildlife native to these countries. In KS2, the children will also look at the effects of climate change, tourism and any other dangers the environments face.

The country of each class is based on our geography curriculum and the children's prior knowledge, as well as what they will be learning about the following year.

Reception - Ireland

Year 1 - France

Year 2 - Kenya

Year 3 - Italy

Year 4 - Hawaii

Year 5 - Peru

Year 6 - Indonesia

On Friday 19th July, children are invited to attend school in the colours of any flag or any cultural attire. We look forward to seeing and celebrating the vibrant colours of our school community.

Many thanks, Miss Sidhu

Parking

Recently, the school has invested in traffic cones to clearly demarcate areas that are not designated for parking. These measures are in place to ensure the safety of our students and the convenience of our neighbours.

Unfortunately, CCTV footage has shown instances of parents moving and damaging these cones to park in restricted areas. This behaviour is deeply disappointing and goes against the values and ethos we uphold as a community.

We kindly ask all parents to respect school property and adhere to the designated parking zones. Your cooperation is crucial in maintaining a safe and respectful environment for everyone.

This Week's Mission

Return to Nazareth

Mission

Jesus never barges into a person's life, he waits to be invited in. Your Mission is to find a quiet place to pray at home, speak with Jesus and invite him into your heart.
